REPORT OF THE COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the Commissioners, Treasurer, Solicitor, Sheriff, Clerk of the Court, Auditors, Superintendent of County Farm, and House of Correction, Farm Physician, and Chaplain for the year ending December 31, 1934.

County Farm

At a meeting of the Merrimack County Convention held at the Court House in Concord, November 25, 1933, a unanimous vote was passed authorizing the Commissioners to proceed with the construction and equipment of additions and improvements to the Almshouse, and the installation of new jail equipment in the House of Correction building, conforming in a general way with the plans prepared by Architect, Harry G. Forrest and approved by the Federal P. W. A. Engineer. A vote was also passed authorizing the issuance of bonds in the sum of \$115,000.00 and to make application for a free Federal P. W. A. grant to cover balance cost of construction and equipment. The bonds bearing interest at 4% were sold in the open market at a substantial premium, as shown in the "Special Construction Account" as set up by the Treasurer on a following page. Proposals for both the Almshouse and jail projects were widely advertised in accordance with requirements of the federal grant agreement. Several bids were received, and with the approval of the P. W. A. Engineer, the general contract for Almshouse additions was awarded to Perrietti Bros., Inc. in their low bid of \$112,343.00. Sub-contracts awarded by the general contractor to the low bidders, also approved by the P. W. A. Engineer, included the following local contractors: Heating, Lee Brothers Co.; Plumbing,

Electric Wiring, Sheet Metal Work and Roofing, Orr & Rolfe Co.; Granite, Perry Bros.; Mill Work, Concord Lumber Co.; Brick and Tile, Concord Brick Co.

The jail construction project was awarded to The Fries & Son Steel Construction and Engineering Co., their bid being \$34,983.

Work has progressed satisfactorily to date and it is expected the buildings will be ready for occupancy in a few weeks. These projects have provided much work for local labor, as all contracts called for the use of same, when available, under federal requirements.

These additions and improvements will supply a long felt need for more room and also provide much better facilities for the care of the sick and infirm. The installation of jail equipment in the south end of the House of Correction building will permit of the segregation of jail prisoners, commonly known as high court prisoners, from those sentenced to the House of Correction for minor offenses. During the period while the work has been in process, it has been a serious problem to care for those who were already occupying all really available rooms in the main buildings. It has been necessary to set up beds in the Chapel and all other possible quarters, but with the tact, patience, and good judgment of Supt. and Mrs. Lorden, with the co-operation of their efficient staff of assistants, the work of caring for the large household has been efficiently carried on without serious interruption. For the many details of the administration of the farm, we would call your attention to the very complete report of the Superintendent, J. M. Lorden.

Welfare Costs for 1934

During the year bills were received from the N. H. State Relief Administration for \$57,202.20. Included in this total was \$17,609.85 for 1933 bills which were not presented to the Commissioners until after the books were closed December 31, 1933, thus making the amount for 1934, \$39,592.35. There should be added to this, however, additional

bills for 1934 relief not presented for payment until after the books were closed December 31, 1934, estimated at \$16,-547.26. It thus appears that the total cost to the county for its share of relief as expended by the State Relief Administration for the year 1934 was \$56,139.61. Budget estimate was \$33,000.

Cost of administration is not included, as this was paid by the State.

REPORT OF THE CHAPLAIN

To the Commissioners of Merrimack County:

It is customary for the Chaplain to report his work once a year. For two reasons in reporting his work for 1934 it is only for part of the year. In the first place it is only for the first six months of the year as he resigned his pastorate the last Sunday in July after a term of service of eleven years in the town of Boscawen and at the Farm. They were happy and fruitful years not soon to be forgotten. It will be a long time, if ever, that the kindness and appreciation of Mr. and Mrs. Joseph Lorden and their splendid corps of helpers will be lost sight of.

At all the services on the Sabbath, two each month, we have been favored by a pianist, Mrs. Smith and a carefully trained chorus of young ladies with a soloist, Miss Baker, to the great delight of all present. On account of the much needed repairs and addition still going on it became absolutely necessary for the religious services to be discontinued. The Chaplain and his family still residing in Boscawen, is subject to a call at any time for funerals and if necessary the social appointments at the Farm.

The delightful Christmas tree exercises were given up this year as the chapel was used for a dormitory. Although all regretted the loss at this happy season of the year, yet many were thankful for the improvements that were going on. The Chaplain is glad to note that the tunnel between the prison and the main building of the farm is completed. The attractive curbing in front of the main buildings and the prison, enclosing the lawns and adding much attractiveness to the buildings.

The Chaplain has officiated at the usual number of funeral services and when absent from his home the Junior Commissioner was called to do honor at a wedding occasion. With a former Chaplain I would like to impress upon my

successor in this noble work he is called upon to do. For "in his own pulpit he preaches the social gospel in the chapel it must be individual. Such a situation is good for the 'modern preacher'. He realizes the Master sought the individual." With thanks to all for many kindnesses received and chats with our able commissioners.

Respectfully submitted,

DANIEL McINTYRE.

REPORT OF THE COUNTY SOLICITOR

Concord, N. H., Feb. 18, 1935.

To the Commissioners for the County of Merrimack:

I herewith submit my report as County Solicitor for the year ending December 31, 1934.

While the expenses of the County Solicitor's office for the year 1934 were kept within the budget allowance, yet they exceeded the expenses for 1933. The explanation for the increase in expense is an increase in the commission of offenses. I would recommend the continuance of the practice of budgeting and would further recommend the following changes in the budget for the ensuing two years: Decrease the budget for fees for liquor cases from \$600 to \$200; increase the budget for autopsies and medical examinations from \$300 to \$400; omit the appropriation for liquor investigations; reduce the expenses for Grand and Petit Jurors and witnesses from \$730 to \$500; increase the item for investigations by sheriffs and deputies from \$2,500 to \$3,000; increase the item of transportation of prisoners from \$500 to \$750. These changes would result in cutting the budget by \$280.

The budget and actual expenses for 1933 and 1934 were as follows:

	1933 & 1934 Budget	1933 Expended	1934 Expended
Solicitor's salary	\$1,250.00	\$1,250.00	\$1,250.00
Solicitor, liquor fees	600.00	300.00	113.80
Telephone service	300.00	160.44	252.74
Printing	16.00	12.00	13.75
Stenographer (Inquests, etc.)	75.00	16.40	35.60

Autopsies, med. referee, etc.	300.00	355.70	518.55
Meals for prisoners	150.00	110.65	99.10
Liquor investigations	500.00		
Grand and petit jurors and witnesses	730.00	383.87	89.42
Investigations, sheriff and deputies	2,500.00	2,588.80	2,756.77
Investigations, mileage	2,000.00	1,695.04	2,018.85
Transportation of prisoners	500.00	525.96	1,035.40
Miscellaneous	150.00	91.39	209.68
	\$9,071.00	\$7,490.25	\$8,393.66

There have been introduced in the legislature now in session, two bills, one to create a juvenile and domestic session of the Probate Court, and the other to revise the present juvenile law. These bills should be enacted into law. Without checking each case, I would estimate that Merrimack County incurred during the last year expenses of more than \$1,500 for sheriff's services and expenses bringing into court men charged with neglect to support their families. This expense cannot be charged back to the men brought in without penalizing their families, with the result that the County has to pay the bill. The usual practice is to bring the man in and give him a suspended sentence, and order him to pay a certain sum weekly for the support of his family. The man then goes his way, and nothing more is heard of the case until those caring for the children complain that he is behind in his payments. The enactment of the pending legislation would provide for follow-up work on these cases, and should result in more money being paid for the support of the families, and a consequent lessening of the burden placed on towns and the county.

The Grand Jury, at the April 1934 Term, returned indictments against the following: Everett Bolis for adultery;

Clarence Tewksbury for breaking, entering and larceny; Patricia Champagne for larceny; Carl Anderson for larceny; Gerald E. Duncan, Everett M. Chase, Wilfred Mercier, and Verne Giguere for breaking, entering, and larceny; Louis Morse for adultery; Henry Duff for breaking and entering with intent to steal; Wesley Holden for adultery; Earl Gould for larceny; John Mathews for larceny; Edward Ringland for larceny; Lindsey Woodward for larceny; and Leon C. Pinney for bigamy. These cases were disposed of as follows: Everett Bolis was sentenced to the House of Correction for six months, suspended during good behavior; Patricia Champagne, six months in the House of Correction, committed; Carl Anderson, one year in the House of Correction, suspended during good behavior; Gerald E. Duncan, Everett M. Chase, and Wilfred Mercier, six months in the House of Correction, suspended during good behavior; Louis Morse, a fine of fifty dollars and six months in the House of Correction, suspended; Henry Duff, one year in the House of Correction, suspended; Wesley Holden, Earl Gould, John Matthews, and Edward Ringland, each six months in the House of Correction, suspended; Lindsey Woodward, one year in the House of Correction, suspended.

The Grand Jury for the October 1934 Term returned indictments against Leonard Lelion for breaking, entering and larceny; Lulu E. Payne, for breaking, entering and larceny; Wilfred Mercier for larceny; Chester Parmenter for larceny; Peter Kontoes for larceny; Walter C. Mackey for larceny; Keith Cowan for larceny; Walter Gagnon for larceny; Harry Gagnon for larceny; John E. State and Federal funds furnished \$10,800.00 during this two year period, all of which were applied to salaries. This does not include salary of Ass't Agent, and \$900 of Agricultural Agent's salary.

The Director of the New Hampshire Extension Service has made available the services of a part time assistant club agent from a special federal fund. This assistance was given the county because of the importance of its club work, and further because the county had allowed a fair appropriation for extension work. This agent's expenses appear as part of the expenditures of Merrimack County funds, as there was a substitution of funds in which \$900 of the Agricultural Agent's salary has been used to offset expenses of the Assistant Agent.

The only increase estimated in the budget is the restoration of 10% reduction in agents' salaries, and for additional clerical assistance. The latter is necessary due to the increase in 4-H club enrollment, and in emergency work that Agents have had placed under their supervision within the last year or two. Two C. W. A. workers were available as clerks during most of time in first half of 1934, which kept this item in statement lower than otherwise would have been the case.
